

## Fill in the gaps

Yeah, bringing you another disturbing creation	All the people in the left wing rock
from the mind of one sick animal who can't tell the difference	And all the (16) in the right wing rock
and gets stupified	And all the people in the underground rock
I've been (1) my (2) life for	I find myself stupified, coming back again
just one fuck	All the people in the high rise rock
And all I needed was just one fuck	And all the people in the projects rock
How can you say that you don't (3) a fuck	And all la (17) in the barrio rock
I find myself stupified, (4) back again	I (18) myself stupified, (19) back
All I (5) was just one fuck	again
One (6) little innocent fuck	Why, do you like (20) around with
And when I (7) like I'm shit out of luck	My, narrow scope of reality
I find (8) stupified, coming back again	I, can (21) it all start slipping
Why, do you (9) playing (10) with	I think I'm breaking down
My, narrow scope of reality	Why, do you like playing around with
I, can feel it all start slipping	My, narrow scope of reality
I think I'm breaking down	I, can feel it all start slipping away
Why, do you like playing (11) with	See but I don't get it
My, narrow scope of reality	Don't you think maybe we could put it on credit
I, can feel it all (12) (13)	Don't you think it can take control when I don't let it
away	I get stupified
See but I don't get it	It's all the (22) you say
Don't you think maybe we could put it on credit	Live with it
Don't you think it can take control when I don't let it	But I don't get it
I get stupified	Don't you think (23) we (24) put it
It's all the same you say	on credit
Live with it	Don't you (25) it can (26) control
But I don't get it	when I don't let it
Don't you (14) maybe we could put it on credit	I get stupified
Don't you think it can (15) control when I don't let it	I get stupified
I get stupified [x2]
