## Never Too Late by Three Days Grace

I his world will never be	Now and again we try	
What I expected	To just stay alive	
And if I don't belong	Maybe we'll turn it all around	
Who would (1) guessed it	'Cause it's not too late	
will not leave alone	It's never too late	
Everything that I own	The (5) we knew	
To make you feel like it's not too late	Won't come back	
t's never too late	The time we've lost	
Even if I say	Can't get back	
t'll be alright	The life we had	
Still I hear you say	Won't be ours again	
You (2) to end (3) life	This world will never be	
Now and again we try	What I expected	
To just stay alive	And if I don't belong	
Maybe we'll (4) it all around	Even if I say	
Cause it's not too late	It'll be alright	
t's never too late	Still I (6) you say	
No one will ever see	You want to end your life	
This side reflected	Now and again we try	
And if there's something wrong	To just stay alive	
Who would have guessed it	Maybe we'll turn it all around	
And I have left alone	'Cause it's not too late	
Everything that I own	It's (7) too late	
To make you feel like	Maybe we'll turn it all around	
t's not too late	'Cause it's not too late	
t's never too late	It's (8) too late (It's (9)	too late
Even if I say	It's not too late	
t'll be alright	It's never too late
