

This romeo is bleeding

But you cant see his blood

Its nothing but some feelings

That this old dog kicked up

Its been raining since you left me

Now Im drowning in the flood

You see Ive always (1)\_\_\_\_\_ a fighter

But without you I give up

Now I cant sing a love song

Like the way its meant to be

Well, I guess Im not that good anymore

But baby, thats just me

And I will love you, baby - always

And III be there forever and a day - always

III be there till the stars dont shine

Till the heavens burst and

The words dont rhyme

And I know when I die, youll be on my mind

And III love you - always

Now your pictures that you left behind

Are (2)\_\_\_\_\_ memories of a (3)\_\_\_\_\_

life

Some that made us laugh, some that made us cry

One that made you have to say goodbye

What Id give to run my (4)\_\_\_\_\_

(5)\_\_\_\_\_ your hair
To touch your lips, to hold you near

When you say your prayers try to understand

Ive made mistakes, Im just a man

## Fill in the gaps

When he holds you close, when he pulls you near
When he says the words youve been needing to hear
III wish I was him (6) those words are mine
To say to you till the end of time
Yeah, I will love you baby - always
And III be there forever and a day - always
If you (7) me to cry for you
I could
If you told me to die for you
I would
Take a look at my face
Theres no price I wont pay
To say these words to you
Well, there aint no luck
In these loaded dice
But baby if you give me just one more try
We can pack up our old dreams
And our old lives
Well find a place where the sun still shines
And I will love you, baby - always
And III be there forever and a day - always
III be there (8) the stars dont shine
Till the heavens burst and
The words dont rhyme
And I know when I die, youll be on my mind
And III love you - (9)
