When he holds you close, when he pulls you near
When he says the words youve been needing to hear
III wish I was him cause those words are mine
To say to you till the end of time
Yeah, I will love you baby - always
And III be there forever and a day - always
If you (6) me to cry for you
I could
If you told me to die for you
I would
Take a look at my face
Theres no price I wont pay
To say these words to you
Well, there (7) no luck
In these loaded dice
But baby if you give me just one more try
We can pack up our old dreams
And our old lives
Well find a place where the sun still shines
And I will love you, (8) always
And III be there forever and a day - always
III be (9) till the stars dont shine
Till the heavens burst and
The words dont rhyme
And I know when I die, (10) be on my mind
And III love you - always
