

If I could, then I would

Fill in the gaps

Wherever You Will Go by The Calling

| So lately, I've (1) wonderin | I'll go wherever you (13) go |
|---------------------------------------|------------------------------------|
| Who (2) be there to (3) my place | Way up (14) or (15) low |
| When I'm gone, you'll need love | I'll go wherever you will go |
| To (4) the shadows on your face | Runaway (16) my heart |
| If a great wave should fall | Runaway with my hope |
| It would fall (5) us all | Runaway (17) my love |
| And between the sand and stone | I know now, (18) quite how |
| Could you make it on (6) own | My (19) and (20) might still go on |
| If I could, then I would | In your heart and (21) mind |
| I'll go wherever you will go | I'll (22) with you for all of time |
| Way up (7) or down low | If I could, (23) I would |
| I'll go wherever you will go | l'll go (24) you will go |
| And maybe, I'll find out | Way up high or down low |
| The way to make it back someday | I'll go wherever you will go |
| To (8) you, to (9) you | If I could (25) back time |
| Through the (10) of your days | I'll go wherever you (26) go |
| If a great wave should fall | If I could (27) you mine |
| It would (11) upon us all | I'll go wherever you will go |
| Well I hope there's someone out there | |
| Who can bring me (12) to you | |
