Fill in the gaps

One And The Same (with Selena Gomez) by Demi Lovato

Hey Hey!	We write the (6) song in a different key
La la la la la	It's got a rythym you and me
Hey Hey!	Can get along
La la la la la	And it may seem cliche for me
You come from here	To want to say that your not alone
I (1) from there	Here I go again
You rock out in (2) room,	And you can call me uncool but its a (7) fact
I rock a world premiere.	I still got your back!
We're (3) alike than	Cuz we're one in the same
Anybody could ever tell	We're anything but ordinary
Ever tell	One in the same
Sometimes we rule,	I (8) we're almost legendary
Sometimes we can't even speak.	You and me
But we kick it off,	The perfect team
Let loose, and LOL	Chasing down the dream
LOL	We're one in the same!
It may seems you're ashamed	Yeah Yeah
But i wanna say that you're not alone	Cause we're one and the same.
And you can (4) me, uncool	We're anything but ordinary
But its a simple fact	One and the (9)
I've got you're back	We're something more than momentarily
Yeah yeah yeah!	Cause we're one
Cuz we're one in the same	Cause we're one
We're anything but ordinary	We're anything but ordinary
One in the same	You and me the prefect team
I think we're (5) legendary	Chasing down the dream
You and me	Oh
The perfect team	You and me the prefect team
Chasing down the dream	shaking up the scene
We're one in the same!	We're one and the same!
Hey Hey!	Hey Hey!
La La La La	La La La
I'm kinda like you,	Hey Hey Hey!
