## Here Without You by Three Doors Down

A (1) days have made me older	But you're still on my lonely mind
Since the last time that I saw your pretty face	I think about you baby
A (2) lies have made me colder	And I dream about you all the time
And I don't think I can look at (3) the same	I'm (17) without you baby
But all the miles that separate	But you're still with me in my dreams
Disappear now when I'm (4) of	And (18) girl it's only you and me
(5) face	Everything I know and (19) I go
I'm here without you baby	It gets hard but it won't take away my love
But you're (6) on my (7) mind	And when the last one falls, when it's all said and done
I think about you baby	It (20) hard but it won't (21) away my
And I (8) you all the time	love, whoa
I'm here (10) you baby	I'm here (22) you baby
But you're (11) with me in my dreams	But you're still on my (23) mind
And tonight it's only you and me, yeah	I think about you baby
The miles just (12) rollin'	And I dream about you all the time
As the people leave their way to say hello	I'm here without you baby
I've heard (13) (14) is overrated	But you're still with me in my dreams
But I hope (15) it gets better as we go, oh yeah	And tonight girl it's only you and me, yeah oh yeah oh
yeah	
I'm (16) without you baby
