

## Fill in the gaps

We'll do it all	Let's waste time
Everything	Chasing cars
On our own	Around our heads
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie with me and (5) forget the world?
If I lay here	Forget (6) we're told
If I just lay here	Before we get too old
Would you lie with me and (1) forget the world?	Show me a garden that's bursting into life
I don't quite know	All (7) I am
How to say	All that I ever was
How I feel	Is (8) in your (9) eyes, they're all
Those three words	I can see
Are said too much	I don't know where
They're not enough	Confused about how as well
If I lay here	Just know that these things will never change for us at all
If I (2) lay here	If I lay here
Would you lie (3) me and just (4)	If I just lay here
the world?	Would you lie (10) me and just forget the world?
Forget what we're told	
Before we get too old	
Show me a garden that's bursting into life
