

Fill in the gaps

We'll do it all	Let's waste time
Everything	Chasing cars
On our own	Around our heads
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie with me and just forget the world?
If I lay here	Forget (6) we're told
If I (1) lay here	Before we get too old
Would you lie with me and just (2) the world?	Show me a garden that's bursting (7) life
I don't quite know	All that I am
How to say	All (8) I ever was
How I feel	Is here in your perfect eyes, they're all I can see
Those three words	I don't know where
Are (3) too much	Confused about how as well
They're not enough	Just know that these (9) will never change for
If I lay here	us at all
If I (4) lay here	If I lay here
Would you lie (5) me and just forget the world?	If I just lay here
Forget what we're told	Would you lie with me and just forget the world?
Before we get too old	
Show me a garden that's bursting into life
