

Fill in the gaps

Sha, Sha, Sha	You're taking seven steps here
I probably shouldn't say this	The seven (3) I hate about you
But at times I get so scared	You're vain
When I think about the previous	Your games
Relationship we shared	You're insecure
It was awesome, but we lost it	You love me, you like her
It's not (1) for me not to care	You made me laugh, you made me cry, I don't know which
And now we're standing in the rain	side to buy
But nothing's ever gonna change until you hear	Your friends, they're (4) when you act like them,
My dear	just know it hurts
The seven things I hate about you (x2)	I (5) be with the one I know
Oh, you	And the seventh thing I (6) the (7) that
You're vain	you do
Your games	You make me love you
You're insecure	And compared to all the (8) things
You love me, you like her	That would take too long to write
You made me laugh, you made me cry, I don't know which	I probably should mention
(2) to buy	The seven that I like
Your friends, they're jerks when you act like them, just know it	The seven things I like (9) you
hurts	Your hair
I wanna be with the one I know	Your eyes
And the seventh thing I hate the most that you do	Your old Levi's
You make me love you	When we kiss, I'm hypnotized
It's awkward and silent	You made me laugh, you made me cry, but I guess that's both
As I wait for you to say	I'll have to buy
What I need to hear now	Your hand in mine (10) we're intertwined,
Your sincere apology	everything's alright
When you mean it I'll believe it	I wanna be with the one I know
If you text it I'll delete it	And the seventh thing I like the most that you do
Let's be clear	You make me love you
Oh, I'm not comin' back	Sha, sha
	You do, oh
