

## Fill in the gaps

I'll always remember	I was changed
It was late afternoon	In places no one would find
It lasted forever	All your feelings so deep inside (deep inside)
And (1) too soon	It was then that I realized
You were all by yourself	That forever was in your eyes
Staring up at a dark gray sky	The (5) I saw you cry
I was changed	I wanted to hold you
In places no one would find	i wanted to make it go away
All (2) feelings so deep inside (deep inside)	I wanted to know you
It was then that I realized	I wanted to (6) your everything, all right
That forever was in your eyes	I'll always remember
The moment I saw you cry	It was late afternoon
The moment that I saw you cry	In places no one would find
It was late in september	In places no one would find
And I've seen you (3) (and you were)	All your (7) so deep (8)
You were always the cold one	(deep inside)
But i was (4) that sure	It was (9) that I realized
You were all by yourself	That forever was in your eyes
Staring at a dark gray sky	The moment I saw you cry
