

My Love by Westlife

An empty street	To see you once again, my love
An empty house	I try to read
A hole inside my heart	I go to work
I'm all alone and the rooms are (1)_____ smaller	I'm laughing with my friends
I wonder how, I wonder why	But I can't stop to keep myself from thinking
I wonder where they are	I (6)_____ how, I (7)_____ why
The (2)_____ we had, the songs we sang together	I wonder where they are
And oh my love	The (8)_____ we had, the songs we sang together
I'm holding on forever	And oh my love
Reaching for a love that seem so far	I'm holding on forever
So I say a (3)_____ prayer	Reaching for a love that seem so far
And hope my (4)_____ (5)_____ take me there	To hold you in my arms
Where the skies are blue	To promise you my love
To see you once again, my love	To tell you from the heart
Overseas from coast to coast	You're all I'm thinking of
To find the place I love the most	I'm reaching for a love seem so far
Where the fields are green
