

## Fill in the gaps

It's hard to remember how it felt before	
Now I (1) the love of my life	
Passes things, get more comfortable	
Everything is going right	
And after all the obstacles	
It's good to see you now with someone else	
And it's such a miracle that you and me are still good friend	ls
After all that we've been through	
I know we're cool	
I know we're cool	
We used to think it was impossible	
Now you call me by my new last name	
Memories seem like so long ago	
Time always kills the pain	
Remember (2) Boulevard	
The dreaming days where the (3) was made	
Look how all the kids have grown, oh	

vve nave (4) but we're still the same
After all that we've (5) through
I know we're cool
I (6) we're cool
Yeah, I know we're cool
And I'll be happy for you
If you can be happy for me
Circles and triangles
And now we're hanging out with your new girlfriend
So far from (7) we've been
I know we're cool
I (8) we're cool
cool, I (9) we're cool
I know we're cool
