Thave (1) dreamed	And I won't look back
Of a far off place	I can go the distance
Where a hero's welcome	And I'll (5) on track
Would be waiting for me	No I won't accept defeat
Where the crowds will cheer	It's an uphill slope
When they see my face	But I won't (6) hope
And a (2) keeps saying	Till I go the distance
This is where I'm meant to be	And my journey is complete
I'll be there someday	But to (7) beyond the glory is the hardest part
I can go the distance	For a hero's strength is measured by his heart
I will find my way	Like a shooting star
If I can be strong	I (8) go the distance
I know every mile	I will search the world
Will be worth my while	I will face its harms
When I go the distance	I don't (9) how far
I'll be right where I belong	I can go the distance
Down an unknown road	Till I find my hero's welcome
To embrace my fate	Waiting in your arms
Though that road may wander	I will search the world
It (3) lead me to you	I will (10) its harms
And a thousand years	Till I find my hero's welcome
Would be worth the wait	Waiting in your arms
It (4) take a lifetime	
But somehow I'll see it through
