### Bad Day by Daniel Powter

Where is the moment when we need it the most  
You kick up the leaves and the magic is lost  
They tell me your blue sky's faded to (1)\_\_\_\_\_  
They tell me (2)\_\_\_\_\_ passion's (3)\_\_\_\_\_ away  
And I don't need no carrying on  
Stand in the line just ahead of the law  
You're faking a smile with the coffee you go  
You tell me your life's been way off line  
You're falling to pieces every time  
And I don't need no carrying on  
Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming (4)\_\_\_\_\_ down and you really don't mind  
You had a bad day  
You had a bad day  
Well you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no carrying on  
You had a bad day  
You're taking one down  
You sing a sad song just to (5)\_\_\_\_\_ it around  
You say you don't know

You tell me don't lie  
You work at a (6)\_\_\_\_\_ and you go for a (7)\_\_\_\_\_  
  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
Sometimes the system goes on the blink and the whole thing  
it turns out  
Wrong  
You might not make it back and you know that you could be  
well oh that  
Strong  
Well I'm not wrong  
So where is the passion when you (8)\_\_\_\_\_ it the most  
Oh you and I  
You kick up the leaves and the magic is lost  
Cause you had a bad day  
You're taking one down  
You (9)\_\_\_\_\_ a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one more time  
You had a bad day  
You had a bad day  
You had a bad day
