

Fill in the gaps

November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' (1)_____ I hold you Don't you know I feel the same 'Cause nothin'
(2)_____ forever And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such
a long long (3)_____ Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go
today Walking (4)_____ If we could take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want
to love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some
(5)_____ All alone (6)_____ (7)_____ some time On (8)_____ own Don't you know you (9)_____ some time
All alone I know it's hard to keep an open heart When even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to
charm you Sometimes I need some time On my own Sometimes I need some time All alone Everybody needs some time On their own Don't you know
you need some time All alone And when your fears subside And shadows still remain I know that you can love me When there's no one left to blame
So never mind the darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody
Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you
Need somebody Don't ya think (10)_____ you Need someone Everybody needs somebody You're not the only one You're not the only one Don't
ya think that you Need somebody Don't ya think that you Need someone Everybody needs somebody

Fill in the gaps

Answer

1. when
2. lasts
3. time
4. away
5. time
6. Everybody
7. needs
8. their
9. need
10. that
