

## Fill in the gaps

When I think back on all the crap I learned in high school	Makes you think all the world's a (4) day, oh
It's a (1) I can think at all	yeah
And though my lack of education hasn't (2) me	I got a (5) camera
none	I (6) to take a photograph
I can read the writing on the wall	So mama don't take my Kodachrome away
Kodachrome	Mama don't take my Kodachrome away
They give us those nice bright colors	Mama don't take my Kodachrome away
They give us the greens of summers	Mama don't take my Kodachrome away
Makes you think all the world's a sunny day, oh yeah	Mama don't take my Kodachrome
I got a Nikon camera	Mama don't take my Kodachrome
I love to take a photograph	Mama don't take my Kodachrome away
So mama don't take my Kodachrome away	Mama don't take my Kodachrome
If you took all the girls I knew when I was single	Leave your boy so far from home
And brought them all together for one night	Mama don't take my Kodachrome away
I know they'd never match my sweet imagination	Mama don't (7) my Kodachrome
Everything looks (3) in black and white	Uhm uhm!
Kodachrome	Mama don't (8) my Kodachrome away
They give us those nice bright colors	O.K.!
They give us the greens of summers
