Do you know what you started?

## Fill in the gaps

Please don't stop the music	I just came here to party
Please don't stop the music	But now we're rockin on the dance floor, actin' naughty
Please don't stop the music	Your hands around my waist
Please don't stop the music	Just let the music play
It's (1) late	We're hand in hand chest to chest and now we're face to face
I'm (2) my way over to	I (9) take you away
My favorite place	Let's escape into the music, DJ let it play
I (3) get my body moving	I just can't refuse it
Shake the stress away	Like the way you do this
I wasn't looking for nobody when you looked my way	Keep on rockin' to it
Possible candidate, yeah	Please don't stop the, please don't stop the music
Who knew	I wanna take you away
That you'd be up in here, looking like you do	Let's escape into the music, DJ let it play
