Please don't stop the music	I just came here to party
Please don't stop the music	But now we're rockin on the dance floor, actin' naughty
Please don't stop the music	Your hands around my waist
Please don't stop the music	Just let the music play
It's getting late	We're hand in hand (6) to chest and now we're
I'm making my way over to	face to face
My favorite place	I wanna take you away
I gotta get my body moving	Let's escape into the music, DJ let it play
Shake the stress away	I just can't refuse it
I wasn't looking for nobody when you looked my way	Like the way you do this
Possible candidate, yeah	Keep on rockin' to it
Who knew	Please don't stop the, please don't (7) the music
That you'd be up in here, looking like you do	I wanna take you away
You make and staying over here, impossible	Let's escape into the music, DJ let it play
Baby, Ima say your aura is incredible	I just can't refuse it
If you don't have to go, don't	Like the way you do this
Do you know what you started?	Keep on rockin' to it
