

Fill in the gaps

Already Gone by Kelly Clarkson

Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
Even with our fists (1)_____ high
It never would've worked out right
We (2)_____ never meant for do or die
I didn't want us to burn out
I didn't come here to hold you, now I can't stop
I want you to know that it doesn't matter
Where we take this (3)_____ someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
Looking at you makes it harder
But I know that you'll find another
That doesn't always make you want to cry
Started with a perfect kiss then we (4)_____ feel the
poison set in
Perfect couldn't keep this love alive
You (5)_____ that I love you so, I love you enough to let
you go
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone

You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm (6)_____ gone
Already gone, already gone, already gone
Already gone, already gone, already gone, yeah
Remember all the things we wanted
Now all our memories they're haunted
We were always (7)_____ to say goodbye
I want you to know that it doesn't matter
Where we (8)_____ this road someone's gotta go
And I (9)_____ you to know you couldn't have
(10)_____ me better
But I want you to move on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
