

Fill in the gaps

Remember all the things we wanted	You can't (15) it feel right when you know
Now all our memories they're haunted	(16) it's wrong
We were always meant to say goodbye	I'm already gone, already gone
Even with our (1) held high	There's no (17) on so I'm already gone
It never would've (2) out right	Already gone, already gone, already gone
We were never meant for do or die	Already gone, (18) gone,
I didn't want us to burn out	(19) gone, yeah
I didn't come here to hold you, now I can't stop	Remember all the things we wanted
I want you to (3) (4) it doesn't matter	Now all our memories they're haunted
Where we (5) this road someone's gotta go	We (20) always meant to say goodbye
And I want you to know you couldn't have (6)	I want you to know that it doesn't matter
me better	Where we take this road someone's (21) go
But I want you to (7) on so I'm already gone	And I (22) you to know you couldn't (23)
Looking at you (8) it harder	loved me better
But I know that you'll (9) another	But I want you to move on so I'm already gone
That doesn't (10) make you want to cry	I'm already gone, already gone
Started with a (11) kiss then we could feel	You can't make it feel (24) when you
the poison set in	(25) that it's wrong
Perfect couldn't (12) this love alive	I'm already gone, already gone
You know (13) I love you so, I love you enough to	There's no moving on so I'm (26) gone
let you go	
I want you to know that it doesn't matter	©SONGS FOR MY SHRINK
Where we take this (14) someone's gotta go	
And I want you to know you couldn't have loved me better	©WRITE 2 LIVE PUBLISHING
But I want you to move on so I'm already gone	
I'm already gone, already gone
