

Barking at the new moon

Fill in the gaps

Honestly, what will become of me?	Hoping it would come soon
I don't like reality	So (7) (8) could die
It's way too clear to me	Die, die, die
But really life is dandy	Flames to dust
We are what we don't see	Lovers to friends
We miss everything daydreaming	Why do all good things come to an end?
Flames to dust	Flames to dust
Lovers to friends	Lovers to friends
Why do all good things come to an end?	Why do all good things come to an end?
Flames to dust	Come to an end, come to an end
Lovers to friends	Why do all good things come to an end?
Why do all good things come to an end?	Come to an end, come to an end
Come to an end, come to an	Why do all good (9) come to an end?
Why do all good things come to an end?	Well the dogs were barking at the new moon
Come to an end, come to an	Whistling a new tune
Why do all (1) things come to an end?	Hoping it will come soon
Traveling I always stop at exits	And the sun was wondering if it should
Wondering if I'll stay	Stay away for a day 'til the feeling went away
Young and restless	And the sky was falling
Living this way I stress less	And the clouds were dropping
I want to pull away when the (2) dies	And the rain forgot how to bring salvation
The pain (3) it and I don't cry	The dogs were tune barking at the new moon
I only feel gravity and I wonder why	Whistling a new tune
Flames to dust	Hoping it would come soon
Lovers to friends	So that they could die
