rm down a one-way street	(And something tells me this time i'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a hole in my soul	Tell me how it (5) to be
But one thing I've learned	The one who turns the knife inside of me
For every love letter written	Take a look and you will find there's nothing there girl
There's another burned	Yeah I swear, I'm telling you girl yeah ´cause
(So you tell me how it's gonna be this time)	There's a hole im my soul that's been killing me forever
Is it over, Is it over	It's a place where a garden never grows
'Cause I'm blowin' out the flame	There's a hole im my soul, Yeah, I should have known better
Take a walk outside your mind	'Cause your love's like a thorn without a rose
Tell me how it (1) to be	If it's over, It is over
The one who turns the knife (2) of me	Cause I'm (6) out the flame
Take a look and you will find there's nothing there girl	Take a walk outside your mind
Yeah I swear, I'm telling you girl yeah ´cause	Tell me how it feels to be
There's a hole im my soul that's been killing me forever	The one who turns the knife inside of me
It's a place where a garden never grows	Take a (7) and you will find
There's a hole in my soul, yeah I should have known better	There's nothing there girl yeah I swear
'Cause your love's like a thorn without a rose	I'm telling you girl, yeah ´cause
I'm as dry as a seven-year drought	There's a hole im my soul that's been killing me forever
I got dust for tears	It's a place where a garden never grows
And I'm all tapped out	There's a (8) im my soul, Yeah, I should have
(Sometimes I feel broken and can't get fixed)	known better
I know there's been all (3) of shoes underneath	´Cause your love´s like a thorn (9) a rose
your bed	
Now I sleep with my boots on but (4) still in	
my head
