Won't Go Home Without You by Maroon 5

(1) her to (2) but she wouldn't listen	Just give me one (16) the chance to (17) it
And she left before I had the chance to say	right
The words (3) would (4) the	I may not make it (18) the night
(5) that were broken	I won't go (19) without you
But now it's far too late she's (6) away	Of all the things I've felt I've never really showed
Every night you cry (7) to sleep	Perhaps the worst is that I ever let you go
Thinking why does this happen to me?	I should not ever let you go
Why does (8) (9) have to be so	It's not over tonight
nard?	Just (20) me one more chance to make it right
Hard to believe it	I may not make it through the night
t's not over tonight	I won't go home without you
Just give me one more chance to make it right	It's not over tonight
may not make it through the night	Just give me one more chance to (21) it right
won't go home without you	I may not make it through the night
The taste of her breath, I'll never get over	I won't go (22) without you
And the noises that she made (10) me awake	And I won't go (23) (24) you
The weight of the (11) (12)	And I won't go home without you
(13) unspoken	And I won't go (25) without you
Built up so much, it crushed us every day
