Won't Go Home Without You by Maroon 5

I asked her to stay but she wouldn't listen	Just give me one more (7) to make it right
And she left before I had the chance to say	I may not make it through the night
The words that would mend the things that were broken	I won't go home without you
But now it's far too late she's gone away	Of all the (8) I've felt I've never really showed
Every night you cry yourself to sleep	Perhaps the worst is that I ever let you go
Thinking why does this happen to me?	I should not ever let you go
Why does (1) moment have to be so hard?	It's not over tonight
Hard to believe it	Just give me one more chance to make it right
It's not over tonight	I may not (9) it through the night
Just give me one more chance to make it right	I won't go home without you
I may not make it (2) the night	It's not over tonight
I won't go home without you	Just give me one more chance to make it right
The taste of her breath, I'll (3) get over	I may not make it through the night
And the noises that she made kept me awake	I won't go (10) without you
The weight of the things that remain unspoken	And I won't go home without you
Built up so much, it crushed us every day	And I won't go home without you
Every night you cry yourself to sleep	And I won't go home without you
Thinking, why does this happen to me?
