

## Fill in the gaps

I'm staring at a (1) door	Together we'll be running somewhere new
There's (2) left here anymore	And nothing can hold me back from you
My room is cold, it's (3) me insane	Through the monsoon, hey, hey
I've been waitin' (4) so long	I'm fighting all this (18) coming in my way
Another moment seems to (5) come	Let it take me straight to you
I see the dark clouds comin' up again	I've been (19) night and day
Running (6) the monsoon	I'll be with you soon just me and you
Beyond the world 'til the end of time	We'll be there soon, so soon
Where the rain won't hurt	Running through the monsoon
Fighting the storm into the blue	Beyond the (20) 'til the end of time
And (7) I (8) myself I (9)	Where the rain won't hurt
of you	Fighting the (21) the blue
Together we'll be running somewhere new	And (23) I (24) myself I
Through the monsoon just me and you	(25) of you
A half moon fading (10) my sight	Together we'll be running somewhere new
I see your (11) in it's light	And nothing can (26) me (27) from you
But now it's (12) and (13) me so alone	Through the monsoon
I'll (14) I have to (15) you now	Through the monsoon
Can hear you name and don't know how	Just me and you
Why can't we make this darkness feel like home?	Through the monsoon
Running through the monsoon	Just me and you
Beyond the world 'til the end of time	
Where the (16) won't hurt	
Fighting the storm into the blue	
And (17) I lose myself I think of you
