Total Eclipse of the heart by Bonnie Tyler

TURN AROUND	Your love is like a shadow on me all of the time
Every now and then I get a little bit lonely	I don't know what to do and I'm always in the dark
and you never come around.	We're living in a powder keg and giving off sparks
TURN AROUND	I really need you tonight, forever's gonna start tonight
Every now and then I get a little bit tired	forever's gonna start tonight
of listening to the sound of my tears	Once upon a time I was falling in love but now I'm only falling
TURN AROUND	apart
Every now and then I get a little bit nervous	There's nothing I can do, a total eclipse of the heart
that the best of all the years have gone by.	Once upon a time there was light in my life but now there's
TURN AROUND	only (6) in the
Every now and then I get a little bit terrified	dark.
and (1) I see the look in your eyes.	There's nothing I can say, a total eclipse of the heart
TURN AROUND, BRIGHT EYES	TURN AROUND (7) EYES
Every now and then I fall apart	TURN AROUND BRIGHT EYES
TURN AROUND, BRIGHT EYES	TURN AROUND
Every now and then I fall apart	Every now and then I know you'll never be the boy you always
TURN AROUND	wanted to be.
Every now and (2) I get a little bit restless	TURN AROUND
and I dream of something wild	But every now and then I know you'll always be the only boy
TURN AROUND	that wanted me the way that I am
Every now and (3) I get a little bit helpless	TURN AROUND
and I'm lying like a child in your arms.	Every now and then I know there's no one in the universe as
TURN AROUND	magical and wondrous as you
Every now and (4) I get a little bit angry	TURN AROUND
and I know I've got to get out and cry.	Every now and then I know there's nothing any better
TURN AROUND	there's nothing that I just wouldn't do.
Every now and then I get a little bit terrified	TURN AROUND BRIGHT EYES
but then I see the look in your eyes.	Every now and then I fall apart
TURN AROUND, BRIGHT EYES	TURN (8) BRIGHT EYES
Every now and (5) I fall apart.	Every now and then I fall apart
TURN AROUND, BRIGHT EYES	And I need you now tonight, forever's gonna start tonight
Every now and then I fall apart.	forever's gonna start tonight
And I need you now tonight and I need you more than ever	Once (9) a time I was falling in love but now I'm
and if you only hold me tight we'll be holding on forever.	only falling apart
And we'll only be making it right 'cause we'll never be wrong	There's nothing I can do, a total eclipse of the heart
together we can take it to the end of the line	A total eclipse of the heart, a total eclipse of the heart
