This Is The Life by Amy Macdonald

Fill in the gaps

Oh, the wind whistles down the cold dark street tonight And the people they were dancing to the music vibe And the boys chase the girls with the curls in their hair While the shy tormented youth sit way over there And the songs they get louder each one better than before And you're singing the songs thinking this is the life And you wake up in the morning and (1)_____ head feels twice the size Where you gonna go? Where you (2)_ Where you gonna sleep tonight? And you're singing the songs thinking this is the life And you wake up in the morning and your head feels twice the size Where you gonna go? Where you gonna go? Where you gonna sleep tonight? Where you gonna sleep tonight? So you're heading down the road in (3)____ ____ taxi for four And you're waiting outside Jimmy's front door But nobody's in and nobody's home 'til four So you're sitting there with nothing to do Talking (4)_ _____ Robert Riger and his motley crew And where you're gonna go? And where you're gonna sleep tonight? And you're singing the songs thinking this is the life And you wake up in the morning and your head feels twice the size Where you gonna go? Where you gonna go? Where you gonna sleep tonight? And you're singing the songs thinking (5)____

And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna sleep
tonight?
And you're singing the songs thinking this is the life
And you (6) up in the morning and your head feels
twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you (7) up in the morning and (8)
head feels (9) the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you (10) go?
Where you gonna sleep tonight? Where you gonna sleep
tonight?
