

Fill in the gaps

From behind these walls I hear your song
Oh, (1) words
The music that you play lights up my world
The sweetest that I've heard
Could it be that I've been touched and turned
Oh Lord, please finally, finally things are changing
This land is mine but I'll let you rule
I let you (2) and demand
Just as long as you know, this land is mine
So find your home and settle in
Ohh, I'm ready to let you in
Just as long as we know, (3) land is mine
After all the battles and the wars
The scars and loss
Well, I'm still the queen of my domain
And feeling stronger now
The (4) are down a little more each day
Since you came, finally, (5) things are
changing
This land is mine but I'll let you rule
I let you navigate and demand Just as long as you know, (6) land is mine

So find your home and settle in
Ohh, I'm ready to let you in
Just as long as we know, this land is mine
Follow the (7) I've traveled alone
In this cold and colorless place till now
It's what I had to pay
This land is mine but I'll let you rule
l let you navigate and demand
Just as long as you know, this land is mine
So (8) your home and settle in
Ohh, I'm ready to let you in
Just as long as we know, (9) land is mine
This land is mine but I'll let you rule
I let you navigate and demand
Just as long as you know, this land is mine
