

Fill in the gaps

I'll be the one	We can share our dreams comin' true
I (1) you were lost when I met you	I can show you what true love means
Still there were tears in (2) eyes	Just take my hand, baby please
So out of (3) and I knew	I'll be the one
No (4) (5) mysteries and lies	I'll be the light
There you were, wild and free	Where you can run
Reachin' out like you needed me	To make it alright
The helping hand to make it right	I'll be the one
I am (6) you all through the night	I'll be the light
I'll be the one (I'll be the one)	Where you can run
Who will make all (7) sorrows undone	I'll be the one (I'll be the one)
I'll be the light (I'll be the light)	Who will make all your sorrows undone
When you (8) there's nowhere to	I'll be the (21) (I'll be the light)
run	When you feel like there's (22) to run
I'll be the one	I'll be the one
To (10) you	I'll be the one
And make sure that you'll be alright	I'll be the light
'Cause my (11) is gone	Where you can run
And I (12) to (13) you from	To make it alright
(14) to light	I'll be the one
There you were, (15) and free	I'll be the light
Reachin' out like you needed me	Where you can run
A (16) it (17) to (18) it	To make it all right
right	I'll be the one
I am holding you all through the night	To (23) you
I'll be the one (I'll be the one)	And make sure (24) you'll be alright
Who will make all your sorrows undone	I'll be the one
I'll be the light (I'll be the light)	
When you (19) like there's nowhere to run	
I'll be the one	
To (20) you, and make sure that you'll be alright	
You need me like I need you
