Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I (1)_____ love you till I die
We are twelve (2)_____ light years from the edge
That's a guess
No one can ever say it's true
But I know that I will always be with you
I'm warmed by the fire of your (3)_____ everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me feel quite small
But you're the one I love the most of all
We're high on the wire
With the world in our sight
And I'll never tire
Of the love that you give me every night
There are (4)_____ million (5)_____ in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you (6)_____ I die
And (7)_____ are (8)_____ million bicycles in Beijing
And you know (9)_____ I will love you till I die
