

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can (1)_____ say it's true
But I know that I will always be (2)_____ you
I'm warmed by the fire of (3)_____ love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me (4)_____ quite small
But you're the one I love the (5)_____ of all

We're high on the wire
With the (6)_____ in our sight
And I'll never tire
Of the love that you give me every night
There are (7)_____ (8)_____ bicycles in
Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you (9)_____ I die
And there are (10)_____ million bicycles in Beijing
And you know that I will love you till I die
