Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing	We're high on the wire
That's a fact	With the (6) in our sight
It's a thing we can't deny	And I'll never tire
Like the fact that I will love you till I die	Of the love that you give me every night
We are twelve billion light years from the edge	There are (7) (8) bicycles in
That's a guess	Beijing
No one can (1) say it's true	That's a fact
But I know that I will always be (2) you	It's a thing we can't deny
I'm warmed by the fire of (3) love everyday	Like the fact that I will love you (9) I die
So don't call me a liar	And there are (10) million bicycles in Beijing
Just believe everything that I say	And you know that I will love you till I die
There are six billion people in the world	
More or less	©DRAMATICO MUSIC PUBLISHING LTD
