

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are (1) million bicycles in Beijing	We're high on the wire
That's a fact	With the world in our sight
It's a thing we can't deny	And I'll (16) tire
Like the fact that I will (2) you till I die	Of the (17) that you give me (18)
We are (3) (4) light years	night
from the edge	There are nine (19) bicycles in Beijing
That's a guess	That's a fact
No one can ever say it's true	It's a (20) we can't deny
But I know (5) I will (6) be with you	Like the fact that I (21) love you till I die
I'm warmed by the (7) of (8) love	And there are nine (22)
everyday	(23) in Beijing
So don't call me a liar	And you know (24) I will love you till I die
Just (9) (10)	
(11) I say	©DRAMATICO (25)
There are six billion (12) in the world	(26) LTD
More or less	
And it makes me (13) small	
But you're the one I love the (15) of all
