Here Without You by 3 Doors Down

A hundred days (1) made me older	And I (16) about you all the time
Since the last time that I saw your pretty face	I'm (17) without you baby
A thousand (2) have (3) me colder	But you're still with me in my dreams
And I don't (4) I can look at this the same	And tonight (18) it's (19) you and me
But all the miles that separate	Everything I (20) and (21)
Disappear now when I'm dreaming of (5) face	go
I'm (6) without you baby	It gets hard but it won't take away my love
But you're still on my lonely mind	And when the last one falls, when it's all (22) and
I think about you baby	done
And I dream (7) you all the time	It (23) but it won't take away my
I'm here without you baby	love, whoa
But you're still with me in my dreams	I'm here without you baby
And (8) it's only you and me, yeah	But you're (25) on my lonely mind
The (9) just keep rollin'	I think about you baby
As the people leave (10) way to say hello	And I dream (26) you all the time
I've heard this (11) is overrated	I'm here without you baby
But I (12) that it gets (13) as we	But you're still with me in my dreams
go, oh yeah yeah	And (27) (28) it's only you and
I'm (14) without you baby	me, yeah oh yeah oh
But you're still on my lonely mind	
I (15) about you baby
