Here Without You by 3 Doors Down

A hundred days have made me older		
Since the last time that I saw your pretty face		
A thousand lies have made me colder		
And I don't think I can look at this the same		
But all the miles that separate		
Disappear now when I'm dreaming of your face		
I'm (1) without you baby		
But you're still on my lonely mind		
I think about you baby		
And I dream about you all the time		
I'm here without you baby		
But you're still with me in my dreams		
And (2) it's only you and me, yeah		
The miles just keep rollin'		
As the people (3) their way to say hello		
I've heard this (4) is overrated		
But I hope that it gets better as we go, oh yeah yeah		
I'm here (5) you baby		
But you're still on my lonely mind		
I think (6) you baby		

And I dream about you all the	time
I'm here without you baby	
But you're still (7) r	ne in my dreams
And tonight girl it's only you ar	nd me
Everything I know and (8)	I go
It gets hard but it won't take av	vay my love
And when the last one falls, w	hen it's all said and done
It gets hard but it won't take av	way my love, whoa
I'm here without you baby	
But you're still on my lonely mi	ind
I think about you baby	
And I dream (9)	you all the time
I'm here without you baby	
But you're still with me in my d	reams
And tonight girl it's (10)	you and me, yeah oh yeah
