

Fill in the gaps

All I (1) is everything is not as it's sold	And all I can do is try
But the more I grow, the less I know	Then I see you standing there
And I (2) lived so many lives, though I'm not old	I'm all I'll ever be
And the more I see, the (3) I grow	But all I can do is try, oh try, try, try
The fewer the seeds, the (4) I sow	All of the (12) that already passed
Then I see you standing there	We'll try to go back and make them last
Wanting more from me	All of the (13) we want each other to be
And all I can do is try	We (14) will be, we (15)
Then I see you standing there	(16) be
Wanting more (5) me	And that's wonderful, that's life
And all I can do is try, try	That's you baby, this is me baby
I wish I hadn't (6) all of the realness	We are, we are, we are
And all the real (7) are (8) not	We are, we are (17) in our love
real at all	We are (18) in our love
The more I learn, the more I learn	Try
The (9) I cry the (10) I cry	
As I say goodbye to the way of life	
I thought I had designed for me	
Then I see you standing there	
Wanting (11) from me
