

## Fill in the gaps

Simona		And though time goes by
You're (1)	older	I will always be
Your journey's been	n etched	In a (4) (5) you
On your skin		In 1973
Simona		Singing, Here we go again
Wish I had known that		I (6) call you up every Sunday night
What seemed so strong		And we'd both stay out 'til the morning light
Has (2) and gone		And we sang, Here we go again
I would call you up every Sunday night		And though time goes by
And we'd both (3) out 'til the morning light		I will always be
And we sang, Here we go again		In a club with you
And though time goes by		In 1973
I will always be		Singing, Here we go again
In a club with you		I would (7) you up every Sunday night
In 1973		And we'd both stay out 'til the morning light
Singing, Here we go again		And we sang, Here we go again
Simona		And though (8) goes by
Wish I was sober		I will always be
So I could see clearly now		In a (9) with you
The rain has gone		In 1973
Simona		Singing, Here we go again
I guess it's over		And though time goes by
My memory plays out to		I will always be
The same old songs		In a club with you
I would call you up every Sunday night		In 1973
And we'd both stay	out 'til the morning light	
And we sang, Here	we go again
