

Fill in the gaps

We'll do it all	I need (10) grace
Everything	To remind me
On our own	To (11) my own
We don't need	If I lay here
Anything	If I (12) lay here
Or anyone	Would you lie with me
If I lay here	And (13) (14) the world?
If I just lay here	Forget what we're told
Would you lie (1) me	Before we get too old
And (2) (3) the world?	Show me a garden
I don't (4) know	That's bursting (15) life
How to say	All (16) I am
How I feel	All (17) I ever was
Those three words	Is here in your (18) eyes
Are (5) too much	They're all I can see
They're not enough	I don't (19) where
If I lay here	Confused about how as well
If I just lay here	Just know (20) these things
Would you lie with me	Will never change for us at all
And (6) (7) the world?	If I lay here
Forget (8) we're told	If I (21) lay here
Before we get too old	Would you lie with me
Show me a garden	And (22) forget the world?
That's bursting (9) life
