

We'll do it all

Fill in the gaps

I need (4)_____ grace

| Everything | To (5) me |
|----------------------------|---------------------------------|
| On our own | To (6) my own |
| We don't need | If I lay here |
| Anything | If I just lay here |
| Or anyone | Would you lie with me |
| If I lay here | And just forget the world? |
| If I just lay here | Forget what we're told |
| Would you lie with me | Before we get too old |
| And (1) forget the world? | Show me a garden |
| I don't quite know | That's bursting into life |
| How to say | All (7) I am |
| How I feel | All that I (8) was |
| Those three words | Is here in your (9) eyes |
| Are said too much | They're all I can see |
| They're not enough | I don't know where |
| If I lay here | Confused about how as well |
| If I just lay here | Just know (10) these things |
| Would you lie with me | Will never change for us at all |
| And just forget the world? | If I lay here |
| Forget what we're told | If I just lay here |
| Before we get too old | Would you lie with me |
| Show me a garden | And just forget the world? |
| That's (2) (3) life | |
