

## Fill in the gaps

I feel it in my fingers	My mind's made up by the way that I feel
I feel it in my toes	There's no beginning, there'll be no end
The (1) that's all around me	'Cause on my love you can depend
And so the feeling grows	I got to keep it moving
It's written on the wind	It's written in the wind
It's (2) I go	Oh everywhere I go
So if you really love me	So if you really love me, (8) me
Come on and let it show	Come on and let it show
You know I love you, I always will	Come on and let it show
My mind's made up by the way (3) I feel	Come on and let it
There's no beginning, there'll be no end	Come on and let it,
'Cause on my love you can depend	Come on and let it show
I see your (4) before me	Come on and let it,
As I lay on my bed	Come on and let it,
I cannot get to thinking	Come on and let it show,
Of all the things you said	Come on and let it show,
You gave your (5) to me and I	Come on and let it (9)
(6) mine to you	
I need someone beside me in everything I do	
You know I love you, I (7) will
