Simply The Best by Tina Turner

Fill in the gaps

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you (1) to me
Give me everything I need
Give me a lifetime of promises and a (2) of dreams
Speak a language of love like you know what it means
And it can't be wrong
Take my heart and make it (3) baby
You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and (4) on every word you say
Tear us apart, (5) I would (6) be dead
In your (7) I see the (8) of every night and every day
In your (7) I see the (8) of every night and every day In (9) eyes I get lost, I get washed away
In (9) eyes I get lost, I get washed away
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say Tear us apart, baby I would rather be dead
In (9) eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say Tear us apart, baby I would rather be dead Each time you leave me I start losing control
