Simply The Best by Tina Turner
I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know (1) it means
And it can't be wrong
Take my heart and make it strong baby
You're simply the best, (2) than all the rest
Better than anyone, anyone I've (3) met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead
In your heart I see the (4) of every night and (5) day
In your heart I see the (4) of every night and (5) day In your (6) I get lost, I get washed away
In your (6) I get lost, I get washed away
In your (6) I get lost, I get washed away Just as long as I'm (7) in your arms
In your (6) I get lost, I get washed away Just as long as I'm (7) in your arms
In your (6) I get lost, I get washed away Just as long as I'm (7) in your arms I could be in no better place
In your (6) I get lost, I get washed away Just as long as I'm (7) in your arms I could be in no better place You're simply the best, better than all the (8)
In your (6) I get lost, I get washed away Just as long as I'm (7) in your arms I could be in no better place You're simply the best, better than all the (8) Better than anyone, anyone I've ever met
