## Simply The Best by Tina Turner

## Fill in the gaps

I call you when I need you, my heart's on fire
You come to me, come to me (1) and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
And it can't be wrong
Take my heart and (2) it strong baby
You're simply the best, better than all the (3)
Better than anyone, anyone I've ever met
I'm stuck on (4) heart, and hang on every (5) you say
Tear us apart, baby I would rather be (6)
In your heart I see the star of every night and every day
In your eyes I get lost, I get washed away
Just as (7) as I'm here in your arms
I (8) be in no better place
You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on (9) word you say
Tear us apart, baby I would rather be dead
Each time you leave me I start losing control
You're walking away with my heart and my soul
I can feel you (10) when I'm alone
Oh babv, don't let go
