

And never seemed so right before

Fill in the gaps

Something Stupid by Robbie Williams

I know I stand in line	I practice (5) day to find some clevel
Until you think you have the time	lines to say
To spend an evening with me	To (6) the meaning come through
And if we go someplace to dance	But then I think I'll wait until the evening
I know that there's a chance	gets (7)
You won't be (1) with me	And I'm alone (8) you
Then afterwards we drop into a quiet little place	The time is right
And have a drink or two	Your (9) fills my head
And then I go and spoil it all	The stars get red
By saying something stupid	And oh the night's so blue
Like I love you	And (10) I go and spoil it all
I can see it in (2) eyes	By saying something stupid
That you despise the (3) old lines	Like I love you
You (4) the night before	I love you
And though it's just a line to you	
For me it's true	

- 1. leaving
- 2. your
- 3. same
- 4. heard
- 5. every
- 6. make
- 7. late
- 8. with
- 9. perfume
- 10. then
