

## Fill in the gaps

Time, it needs time	Just shouldn't be thrown away.
To win (1) your love again.	I will be there, I will be there.
I (2) be there, I will be there.	If we'd go again
Love, only love	All the way from the start,
Can bring back your love someday.	I would try to change
I will be there, I (3) be there.	The (19) that (20) our love.
Fight, babe, I'll fight	Your (21) has build a wall, so strong
To win back (4) love again.	That I can't get through.
I (5) be there, I will be there.	Is there really no chance
Love, (6) love	To start once again?
Can break down the walls someday.	If we'd go again
I (7) be there, I (8) be there.	All the way from the start,
If we'd go again	I would try to change
All the way from the start,	The (22) that (23) our love.
I (9) try to change	Yes I've hurt your pride, and I know
The (10) that killed our love.	What you've (24) through.
Your (11) has (12) a wall, so	You (25) give me a chance
strong	This can't be the end.
That I can't get through.	I'm still (26) you.
ls (13) no chance	I'm still loving you,
To (15) once again?	I need your love.
I'm (16) you.	I'm still loving you.
Try, (17) try	Still loving you, baby
To trust in my love again.	
I will be there, I (18) be there.	
l ove. your love
