Shape Of My Heart by Backstreet Boys

Yeah, yeah, baby, please try to forgive me	I'm here with my confession
Stay here, don't put out the glow	Got nothing to hide no more
Hold me now, don't bother	I don't know where to start
If (1) minute it makes me weaker	But to show you the shape of my heart
You can save me (2) the man that I've become	I'm lookin' back in things I've done
Oh yeah	I never wanna play the (6) old part
Lookin' back on the (3) I've done	Or keep you in the dark
I was trying to be someone	Now let me show you the shape of my heart
I played my part and kept you in the dark	Lookin' back on the things I've done
Now let me show you the shape of my heart	I was trying to be someone
Sadness is beautiful, loneliness is tragical	I played my part and kept you in the dark
So help me, I can't win this war, oh no	Now let me show you the (7) of my heart
Touch me now, don't bother	Lookin' back on the things I've done
If every second it (4) me weaker	I was trying to be someone
You can save me from the man I've become	I played my part and (8) you in the dark
Lookin' back on the (5) I've done	Now let me (9) you the shape of
I was trying to be someone	Show you the shape of my heart
I played my part and kept you in the dark
