

Fill in the gaps

There is fiction in the space between	In my spaceship I am laughing
The lines on (1) page of memories	In your remembrance of your bad dream
Write it down but it doesn't mean	There's no one but you standing
You're not just telling stories	Leave the pity and the blame
There is fiction in the space between	For the ones who do not speak
You and me	You write the words to get respect and compassion
There is fiction in the space between	And for posterity
You and reality	You (5) the (6) and (7)
You will do and say anything	believe
To make your everyday life	There is truth in the space between
Seem less mundane	There is fiction in the space between
There is fiction in the (2) between	You and everybody
You and me	Give us all what we need
There's a (3) fiction in the space between	Give us one more sad sordid story
You and me	But in the fiction of the space between
A fabrication of a grand scheme	Sometimes a lie is the (8) thing
Where I am the scary monster	Sometimes a lie is the best thing
Leat the (4) and as Lleave the scene
