Well, you done done me and you bet I felt it	I've been spendin' way too long checkin' my tongue in the
I tried to be (1) but you're so hot that I melted	mirror
I fell right through the cracks, now I'm tryin to get back	and bendin' (5) backwards (6) to try to
before the cool done run out I'll be givin it my bestest	see it clearer
and nothin's gonna stop me but divine intervention	But my breath fogged up the glass
I reckon it's again my turn to win (2) or learn some	and so I drew a new face and I laughed
But I won't (3) no more,	I guess what I'd be sayin' is there ain't no better reason
no more, it cannot wait	to rid yourself of vanities and (7) go (8)
I'm yours	the seasons
Well open up your mind and see like me	it's what we aim to do
open up your plans and damn you're free	our (9) is our virtue
look into your heart and you'll find love love love love	But I won't hesitate no more,
listen to the music of the moment people dance and sing	no more it cannot wait
We're just one big family	I'm yours
And it's our godintended right to be (4) loved	Well open up your mind and see like me
loved loved loved	open up your plans and damn you're free
So, I won't hesitate no more,	look into your heart and you will find that the sky is yours
no more, it cannot wait I'm sure	so please don't, please don't,
there's no need to complicate our time is short	there's no (10) to complicate,
this is our fate	Cause our time is short
I'm yours	This, this, this is our fate,
