Well, you done done me and you bet I felt it	I've been spendin' way too long checkin' my tongue in the
I tried to be chill but you're so hot that I melted	mirror
I fell right through the cracks, now I'm tryin to get back	and bendin' (3) backwards (4) to try to
before the cool done run out I'll be givin it my bestest	see it clearer
and nothin's gonna stop me but divine intervention	But my breath (5) up the glass
I reckon it's again my turn to win some or learn some	and so I drew a new face and I laughed
But I won't hesitate no more,	I (6) what I'd be sayin' is (7) ain't
no more, it cannot wait	no better reason
I'm yours	to rid yourself of vanities and just go with the seasons
Well open up your mind and see like me	it's what we aim to do
open up your plans and damn you're free	our name is our virtue
look into your heart and you'll find love love love love	But I won't hesitate no more,
listen to the music of the moment people dance and sing	no more it cannot wait
We're just one big family	I'm yours
And it's our godintended right to be (1) loved	Well open up your mind and see like me
loved loved	open up your (8) and damn you're free
So, I won't hesitate no more,	look into your heart and you will find (9) the sky is
no more, it cannot wait I'm sure	yours
there's no need to complicate our time is short	so please don't, please don't,
this is our fate	there's no need to complicate,
I'm yours	Cause our time is short
